

200 SERIES

Hinged Patio Doors (Inswing)

Beauty and Durability

These doors combine traditional French door styling with a sturdy glass fiber frame that withstands weather and rot* – protected by low-maintenance aluminum exterior cladding.

Weathertight Performance

Low-E insulating tempered glass helps save energy, while durable weatherstripping helps create a tight seal.

Smooth Operation

Adjustable hinges help provide a weathertight seal and smooth operation.

Owner-2-Owner® Limited Warranty

Glass is covered for 20 years and non-glass parts are covered for 10. Coverage is not pro-rated and can add real value when the home is sold.

* See the limited warranty for details.

features & options

With Low-E glass, these products are designed to use less energy, help you save money on utility bills and help protect the environment.

Hook deadbolt or multi-point locks provide strength and added security.

The anodized aluminum sill channels water away from the door.

Expanded hardware offering includes Metro™, Estate™ and Andiron® collections for just the right look inside and out.
